

BUSH GEMS®

— Kangaroo Paw —

ANIGOZANTHOS BUSH FIRE

Anigozanthos Bush Gems are a spectacular, versatile range of water-saving, easy care plants. These varieties offer spectacular colour, profuse flowering and a range of heights and exceptional quality. As a potted feature plant or en-masse in the garden, Bush Gems add interest to all garden styles.

Ignite the garden with Bush Fire, a vibrant kangaroo paw that produces an abundance of large, orange/gold flowers on tough, red stems. This variety is naturally compact and bushy with excellent disease tolerance. Expect to see Bush Fire exhibit red tones when positioned in full sun.
