

BUSH GEMS®

— Kangaroo Paw —

ANIGOZANTHOS BUSH FLARE

Anigozanthos Bush Gems are a spectacular, versatile range of water-saving, easy care plants. These varieties offer spectacular colour, profuse flowering and a range of heights and exceptional quality. As a potted feature plant or en-masse in the garden, Bush Gems add interest to all garden styles.

An upright, relatively tough kangaroo paw, Bush Flare puts on an exciting display of burnt orange and vermilion toned flowers for most of the year, with colours intensifying when placed in a sunny position. Ideal for use in pots and containers as a feature plant.

HIGHLIGHTS:

- Superior quality
- Drought hardy once established
- Low maintenance
- Spectacular colour range
- Long flowering
- Have a 2 week vase life as a cut flower
