

BUSH GEMS®

— Kangaroo Paw —

ANIGOZANTHOS BUSH INFERNO

Anigozanthos Bush Gems are a spectacular, versatile range of water-saving, easy care plants. These varieties offer spectacular colour, profuse flowering and a range of heights and exceptional quality. As a potted feature plant or en-masse in the garden, Bush Gems add interest to all garden styles.

Bush Inferno produces masses of bright red flowers over a long flowering period on a naturally compact and bushy plant. This is a relatively tough kangaroo paw that is suitable as a patio feature plant. For a dramatic display, plant in multiples in a sunny, well-drained position.
