

# BUSH GEMS®

— Kangaroo Paw —

## ANIGOZANTHOS BUSH PRINCESS

Anigozanthos Bush Gems are a spectacular, versatile range of water-saving, easy care plants. These varieties offer spectacular colour, profuse flowering and a range of heights and exceptional quality. As a potted feature plant or en-masse in the garden, Bush Gems add interest to all garden styles.

Bush Princess is a tough kangaroo paw that suitable as a feature plant either in a patio pot or in a sunny position in the garden. Throughout the warmer months you can expect to see a flourish of pearlescent pink flowers on strong, upright stems that contrast well with the green foliage.

### HIGHLIGHTS:

- Superior quality
- Drought hardy once established
- Low maintenance
- Spectacular colour range
- Long flowering
- Have a 2 week vase life as a cut flower
