ANIGOZANTHOS LANDSCAPE GOLD

The Ramm Botanicals x Angus Stewart 'Tall and Tough' Anigozanthos are a spectacular, versatile range of water-saving, easy care kangaroo paw. These Landscape paws are long lived, have considerably less leaf blackening and can withstand humid conditions.

Landscape Gold is an impressive landscape plant that produces a profusion of golden yellow flowers on tall, multiple branched red stems. This variety is neat, clean and tough with strong upright foliage. Landscape Gold is a long-lived perennial that boasts high disease tolerance and plenty of eye appeal in the landscape.

HIGHLIGHTS:

- Superior quality
- Drought hardy once established
- Low maintenance
- Spectacular colour range
- Long flowering
- Have a 2 week vase life as a cut flower
