

## ANIGOZANTHOS LANDSCAPE SCARLET

The Ramm Botanicals x Angus Stewart 'Tall and Tough' Anigozanthos are a spectacular, versatile range of water-saving, easy care kangaroo paw. These Landscape paws are long lived, have considerably less leaf blackening and can withstand humid conditions.

Landscape Scarlet is a prolific flowering kangaroo paw that provides the perfect garden backdrop. It has neat, upright foliage and produces masses of bird attracting, brilliant red flowers. Landscape Scarlet is a majestic, sensational long-lived kangaroo paw that is a landscape highlight when planted en masse or when used as a feature plant.

### HIGHLIGHTS:

- Superior quality
- Drought hardy once established
- Low maintenance
- Spectacular colour range
- Long flowering
- Have a 2 week vase life as a cut flower
