

HELLEBORE

'ILLUMI LIME'

REFINED MINT-GREEN
LONG-LASTING FLOWERS

Light up winter with this unique and fashionable Hellebore. The dusky mint-green flowers are the perfect complement to the intriguingly marbled leaves that sit beneath them. Sure to be a winner with florists and decorators, this is a Hellebore that sits apart from the pack. An elegant and classy pot plant and tabletop adornment that complements the exceptional PMA Hellebore range.

FEATURES

- Beautiful and unique mint-green winter flowers
- Magnificent marble-veined foliage
- Exceptional and eye-catching pot display
- Tough and easy-care plant

USES

- Perfect for shady woodlands and small gardens
- Beautiful pot display, indoors and out*
- Unique winter cut flowers – ideal for floristry
- Neat and compact form, ideal for pots

CARE

Water requirements are medium once established. Will benefit from an occasional deep soak during periods of extended heat. If growing in containers, care should be taken not to allow to dry out completely. Plant in a well-draining potting media in pots or in an enriched soil in the garden. Tidy after flowering by removing old flower heads. For best results, feed in late autumn and spring with a slow release fertiliser.

CAUTION: Harmful if eaten/skin irritant

*Performance indoors will vary due to conditions within each environment.

ORIGIN: Netherlands // **SPECIES:** *Helleborus x hybrida* // **PROTECTION STATUS:** PBR Protectable
