

Lawn Rescue

A great looking lawn is a place everyone enjoys, but not everyone has the time and knowledge to achieve a showcase lawn. If your lawn is looking a little drought weary, lacking colour or suffering from the harsh winter climate, then it's Lawn Solutions Australia Lawn Rescue... to the rescue! Lawn Rescue is a blend of liquid fertilisers, seaweed extracts and wetting agents and is ideal for all new and established lawns and for post-winter revival.

Pack Sizes

2L Hose-on

Approximate area of coverage

2L up to 150m²

Application

Apply to established turf (best in early spring) or after new lawn is laid.

Lawn Solutions Australia Lawn Rescue comes in a convenient ready-to-use 2L hose on bottle. Simply shake the product well prior and during use.

Precautions

Not to be used for any purpose, or in any manner, contrary to the label unless authorised under appropriate legislation.
